W13-P3: Do footer section

The image displays a web development workflow. At the top, a file explorer shows a project structure with folders like 'w01_23' through 'w11_23', and a 'w13_portfolio_23' folder containing 'css', 'js', 'scss', and 'images' subfolders. The 'styles_23.scss' file is open, showing SCSS code for a footer. A yellow box highlights the footer styles, including background color, display, padding, and social icons. Below the code editor, a browser window shows a preview of the 'John Doe' portfolio website. The footer section is visible, featuring a red background with social media icons and a copyright notice. A yellow box highlights the footer content in the browser. To the right, a style inspector shows the applied styles for the footer, including text transformation and font size. The console and issues panels are also visible at the bottom.

```
demo > w13_portfolio_23 > scss > styles_23.scss > .footer > p
```

```
246 font-size: 1.5rem;
247 .fa-brands {
248   color: var(--clr-grey-5);
249   &:hover {
250     color: var(--clr-primary-10);
251   }
252 }
253 .footer{
254   background-color: #e66b6b;
255   display: grid;
256   place-items: center;
257   padding-bottom: 1rem;
258   .social-icons{
259     margin-bottom: 1rem;
260   }
261   .social-icon{
262     color: var(--clr-primary-5);
263     &:hover {
264       color: var(--clr-primary-10);
265     }
266   }
267   p{
268     text-transform: capitalize;
269     font-size: 1.25rem;
270   }
271 }
272 }
```
